20. PROMOTIONAL PROCEDURES and POLICIES

20.1 Promotional Procedure

20.1.1 The City, Fire Administration and the Union agree to meet on an as needed basis to discuss and develop a promotional process and to recommend the process to the CAO, Director of Human Resources and Fire Chief.

20.1.2 One union representative will be granted leave without pay for the purpose of attending such meetings.

20.2 Effective June 19, 2010 the rank of Firefighter, Driver, Lieutenant and Captain will be separated by a 10% difference in pay.

20.3 Temporary Upgrade

20.3.1 Employees will receive an actual 10% increase (not required to fall on a step) on a temporary upgrade.

20.3.2 All members will accept upgrade to the next rank when directed, unless they have submitted a letter of refusal to act to the fire chief or designee.

20.3.3 It is incumbent upon the individual member to insure that their personnel profile is accurate and up to date at the F.O.C. An employee who submits a letter of refusal to upgrade is approved to refuse an upgrade by the joint Labor Management Committee and shall be considered ineligible for temporary upgrade until a letter is submitted by the employee to the Deputy Chief of Human Resources indicating that the employee is willing to temporary upgrade.

20.3.4 Before any Driver or upgraded Driver is assigned to operate/drive an Engine, Ladder, Squad or Rescue they must have successfully completed the driver certification requirements of the specific apparatus they are being assigned to drive/operate. Except in an emergency, no Driver or upgraded Driver will be allowed or forced to accept an assignment to operate/drive an apparatus until they are certified by the Fire Academy staff.

20.3.5 It is understood that members who refuse to act within a one year period to a promotional exam will not be eligible to participate in the promotional process. It is also understood that members on promotional lists will be directed to act and may be required to float to upgrade. Further exceptions to this provision may occur should both the city and the Union agree.

20.3.6 As an incentive, firefighters who are certified to drive shall be removed from the floating rotational lists and shall be required to float only when required to upgrade at other stations as outlined above, or if the failure to float would result in overtime that would not usually occur. Floating by certified firefighters to avoid unnecessary overtime would be based on seniority, with the least senior firefighter floating first.

20.3.7 Members with less than twelve (12) years shall be allowed to submit a letter of refusal to act as indicated above; however, this letter shall only be a request. A joint labor management committee shall be formed consisting of two union appointees, two city appointees and a fifth at large member selected by the other four members. The committee shall meet as needed and shall interview members who have submitted refusal to act letters. The committee will approve or disapprove the refusal to act letters based on the justifications given by the member wishing not to act. The member shall not be required to act until the committee has rendered its decision, unless the failure to act would result in overtime that would not usually occur. In this event the member would be required to act.

20.3.8 Drivers shall be allowed to upgrade to the rank of Lieutenant in single engine companies where Captains are currently assigned to alleviate floating to upgrade. A Lieutenant in a different station must be upgraded to Captain to fulfill all staffing requirements as directed by the F.O.C.

20.3.9 Bargaining unit members will only upgrade in station unless unusual circumstances occur that require the member to relocate to another station.

20.3.10 Both management and the employees must agree in writing for upgrades outside of the bargaining unit.

20.3.11 Individuals who are not certified shall not be required to take a temporary upgrade. The union and the city will meet and implement a certification process for acting officers within the term of this Agreement. Certified employees as certified by the Fire Academy shall perform the duties required of them as prescribed in the Department's rules and regulations. Temporary upgrades for Commanders shall be made in accordance with Section 702.1 of the City Personnel Rules and Regulations

The decision of the supervisor can be appealed to the Deputy Chief of Human Resources. The decision of the Deputy Chief will be final.

24.2.3 The discipline will be considered imposed after the final decision of the supervisor. If there is no request for review, the discipline will be considered imposed after the ten (10) day period passes.

24.3 A written reprimand will be purged from all files within four (4) years of the date of the incident, unless any other infraction occurs within the (4) four years. If another infraction occurs within the (4) four years, the reprimand will remain in the file for (5) years. A written reprimand will not be considered for transfer or in the promotional process. 25.1.5 Before taking action which could result in loss of pay or seniority, or in a written reprimand, a Department Head or his designated representative may call for an informal review of the circumstances surrounding the proposed action. A firefighter who is aggrieved by such action may appeal the decision to the Department head within ten (10) calendar days of the action being taken.
